Brocade Certified Fabric Administrator Knowledge Assessment
(CFA 101-WBT)

Web-Based Training

BROCADE UNIVERSITY

Brocade
Certified Fabric Administrator

DURATION:
1 hour

FORMAT:
Self-paced knowledge assessment

PREREQUISITES:
- *Brocade Certified Fabric Administrator 16 Gbps Training* (CFA 200)

AUDIENCE:
Any technical professional wanting to gauge his/her knowledge of BCFA topics. This course is also for those who are preparing to take the BCFA Certification Exam.

DESCRIPTION:
This self-paced, web-based training course (eStudy) is designed to check a student's knowledge and skills against sample questions covering some of the scope of the Brocade Certified Fabric Administrator (BCFA) Exam 143-420. Learners will see multiple choice and multiple answer questions which mimic the look and feel of the actual BCFA exam. This assessment will also help illustrate what students know, what they don't know, and where each learner needs to spend more time studying to pass the BCFA exam.

The assessment covers the broad spectrum of topics that fall into the realm of the actual exam. Just like the real exam, the topics will not be presented in any particular order. These questions are for the sole purpose of study and review, and in no way reflect specific test content.

OBJECTIVES:
Upon successful completion of this course, the student should be able to:
- Gauge their level of knowledge about BCFA topics
- Demonstrate important knowledge, skills, and abilities necessary to install, configure, maintain, and troubleshoot Brocade SAN hardware and software products
