Brocade Certified Ethernet Fabric Professional Knowledge Assessment

Course Code: CEFP 101-WBT

BROCADE UNIVERSITY

Brocade
Certified Ethernet
Fabric Professional

DESCRIPTION:

This self-paced, web-based training course (eStudy) is designed to check a student's knowledge and skills against sample questions covering some of the scope of the Brocade Certified Ethernet Fabric Professional (BCEFP) Exam 150-810. Learners will see multiple choice and multiple answer questions which mimic the look and feel of the actual BCEFP exam. This assessment will also help illustrate what students know, what they don't know, and where each learner needs to spend more time studying to pass the BCEFP exam.

The assessment contains and covers the broad spectrum of topics that fall into the realm of the actual exam. Just like the real exam, the topics will not be presented in any particular order. These questions are for the sole purpose of study and review, and in no way reflect specific test content.

ENROLL NOW:

Brocade Certified Ethernet Fabric Professional Knowledge Assessment (CEFP 101-WBT)

DURATION:

1 hour

PREREQUISITES:

- *Advanced Ethernet Fabric Administration Training (CEFP 300-WBT)* or equivalent knowledge

AUDIENCE:

This course is for any technical professional wanting to gauge his/her knowledge of BCEFP topics. This course is also for those who are preparing to take the BCEFP Certification Exam.

OBJECTIVES:

Upon successful completion of this course, the student should be able to:

- Gauge their level of knowledge about BCEFP topics.
- Demonstrate knowledge of IP, SAN, and FCoE concepts.
- Design, install, configure, manage, and perform troubleshooting of Brocade Ethernet fabrics with assistance from documentation and technical support.
