

PRODUCT END-OF-LIFE EXTENSION NOTICE

ADX 1000

This is an update to the EOL notification dated January 6, 2016. Brocade is initiating an extension to the End of Life (EOL) process for the ADX 1K platform to non-European Union countries only as effective July 21, 2016, the ADX 1K will no longer be RoHS compliant. Note that this extension does not apply to the ADX 4K and 10K platforms.

Customers maintaining an active support contract or those wishing to renew, can continue to benefit from support until Feb 2022, five (5) years from the Last Customer Ship (LCS) date. Brocade can assist in deciding to consolidate existing ADX deployment or to discover the potential of the new Brocade vADC technology.

ADX 1000	Date

Brocade Part Number	Description	Recommended Alternative Solution
SI-1216-4-SSL-PREM	4 APP PROC, 16X1G, 2X10G, 1 AC PS, FACTORY-ACTIVATED SSL, L3/GSLB/IPV6/MT SW	See Replacement Products

Replacement Products

The Brocade vADC portfolio consists of:

- Brocade virtual Traffic Manager (vTM)
- Brocade vWAF – Virtual Web Application Firewall
- Brocade Services Director

Brocade recommends evaluating Brocade virtual Traffic Manager (vTM) as a replacement for the ADX 1K.

The above products will continue to serve the needs for Application Traffic Management and Security requirements for customers to either augment or replace any existing Brocade ADX hardware. The Brocade vADC is also available as Bare Metal to provide customers with a hardware appliance form factor to address application delivery controller requirements.

Please reach out to your regional SE/Sales for further details on roadmap and migration options.

Note that all software features qualified for use under supported configurations of the ADX 1K will continue to be available after the Last Customer Shipment date of the ADX 1K offering.

Support Pricing

Subject to the provisions of your support agreement with Brocade, support and access to software for the product will be available through Brocade's 7x24 Technical Assistance Center (TAC) or on-line via the Brocade MySupport portal*. Beginning one (1) year after LCS (Feb, 2017), and until the EOS date (Feb, 2022), there will be a 10% annual price increase for end-user

service and support.

*Additional restrictions and limitations apply to support for software and such support may be cancelled or changed without notice. Contact your sales representative for more information.
