Replacement Products

No replacement product is currently available for the FCOE10-24 FCOE Blade. Brocade recommends that you check with your Brocade representative for options and updates on future product offerings.

Note: The Brocade DCX and DCX-4S have already reached the EOL Lifecycle Phase with an EOS date of November 12, 2019.

Support Pricing

Subject to the provisions of your support agreement with Brocade, support and access to software for the product will be available through Brocade's 7x24 Technical Assistance Center (TAC) or on-line via the Brocade MySupport portal*. Beginning one (1) year after LCS (June 30, 2016), and until the EOS date (November 12, 2019), there will be a 10% annual price increase for end-user service and support.

*Additional restrictions and limitations apply to support for software and such support may be cancelled or changed without notice. Contact your sales representative for more information.
