Dear Brocade Partner,

This letter is a formal notification that Brocade is initiating the End of Availability (EOA) process for selective SKUs of the Brocade® NetIron® MLX® Series of routers. Brocade is retiring the Brocade MLXe chassis bundle SKUs that do not include management modules and replacing them with Brocade MLXe chassis bundles which include management modules.

Pursuant to the terms of your agreement with Brocade, this letter serves as your formal written EOA notification, which will allow for appropriate planning and opportunity for last time purchases.

The recommended product replacement for the Brocade MLXe chassis bundles that do not include any management modules are Brocade MLXe chassis bundles which include management modules.

Brocade will provide ongoing service for the Brocade MLXe chassis per the terms and conditions outlined in your support agreement with Brocade. Brocade has no current plans to End of Life the Brocade MLXe chassis. Brocade MLXe chassis will continue to be supported until formal notification of the End of Support for the MLXe chassis.

The objective of the Brocade account management team is to smoothly transition opportunities to the replacement SKUs by planning to the following milestones:

Brocade MLXe chassis SKUs (with no management modules)
