

# Brocade Certified FCoE Professional (BCFCoEP) 2010 Knowledge Assessment (CFCoEP 101-WBT)

Web-Based Training (eStudy)

## BROCADE EDUCATION SOLUTIONS

Brocade Certified FCoE Professional

### DESCRIPTION:

This self-paced, web-based training course (eStudy) is designed to check a student's knowledge and skills against sample questions covering some of the scope of the Brocade® Certified FCoE Professional (BCFCoEP) Exam 143-510. Learners will see multiple choice and multiple answer questions which mimic the look and feel of the actual BCFCoEP exam. This assessment will also help illustrate what students know, what they don't know, and where each learner needs to spend more time studying to pass the BCFCoEP exam.

### DURATION:

1 hour

### FORMAT:

Self-paced knowledge assessment

### PREREQUISITES:

- FCOE 200: Brocade FCoE Professional Certification Training

### AUDIENCE:

Any technical professional wanting to gauge his/her knowledge of BCFCoEP topics. This course is also for those who are preparing to take the BCFCoEP Certification Exam.

The assessment contains and covers the broad spectrum of topics that fall into the realm of the actual exam. Just like the real exam, the topics will not be presented in any particular order. These questions are for the sole purpose of study and review, and in no way reflect specific test content.

### OBJECTIVES:

Upon successful completion of this course, the student should be able to:

- Gauge their level of knowledge about BCFCoEP topics.
- Refresh themselves on the knowledge and skills needed to design, install, configure, manage, and troubleshoot Brocade FCoE-related hardware and software products.
